a "Knock-Out" Drink.

Battered by Somebody.

Dr. Charles W. Selden, a practising phycharge of malicious destruction of property. doctor is about fifty years old, heavily having said. bulk and well preserved. His appearance

doubtedly the most unaightly. His fron-gray ticians fill the offices than when so-called mustache and sparse hair were matted with blood, and his face was so badis out and

of \$700 in bills and valuables, and seemed to place devotes himself entirely to it, he have no recourse; no counter charge was made against the cabman on whose complaint the doctor was held for trial.

The complainant's name is Patrick Carroll. of 206 East Seventieth street. In his affidavit be alleges that between 5 and 6 o'clock yesterday afternoon the doctor and a companion, a dark-complexioned young man, engaged him at Forty-first street had Park avenue fours the pair were driven iron place to place, and finally, on Broadway near Third street, the crashing of glass arrested the driver's attention and the horses were stopped. The young man leaped out and ran away, and the doctor followed, says the complaint, swinging a heavy cane with which he broke every place of glass on the cab. He knocked Carroll down and started to run away, but slipped and fell against the curr, cutting an util y sublemant with the broke every place of glass on the cab. He knocked Carroll down and started to run away, but slipped and fell against the curr, cutting an util y sublemant with the broke every place of glass on the cab. He knocked Carroll down and started to run away, but slipped and fell against the curr, cutting an util y sublemant with the properties of the Mercer street state in driving a util y sublemant with the properties of the Mercer street state in driving an util y sublemant with the properties of the Mercer street state in driving a util y sublemant with the properties of the Mercer street state in driving an util y sublemant with the properties of the Mercer street state in driving an util y sublemant with the last circumstance he remembered until this morning was drinking in the case of the Mercer street state in driving an util this morning it was, he said, with the mention of having a good that the last circumstance he remembered until this morning it was, he said, with the mention of having a good the driving in the case of the four the mention of having a good three with the properties of the Morning in the case of the four the mention of the street street states and return and the business men who will not device the will be a subject to the street street state of the street street states and return and the business and the mention of the street street states and return and the business and th he alleges that between 5 and 6 o'clock yes-terday afternoon the doctor and a companion,

To an Evening World reporter this morning Dr. Selden said that the last dreamstance in the remembered until this morning was drinking in a Park Row saloon about noon yesterday. He believes he got a "knocker out." At any rate, he lost his senses.

When he left home in the morning it was, he said, with the intention of having a good time, the had \$5.00 in a bag suspended from a cord around his neck, a gold waten and other valuables and change, making a total value of \$700. He had none of it this morning, and believes he was robbed.

He remembered nothing of his companion, but the police will endeavor to find him.

The doctor offered to pay for the damage done to the cab, which was fixed at \$450, but Justice ityan refused to allow the charge to be withdrawn.

READING PREPARING FOR WAR.

Battle with the Engineers' Brothergood to Come in the Spring.

INT ASSOCIATED PRESS.!
POTTSVILLE, Pa., Jan. 4.—Trouble is threatening between the Reading Railroad and those of its engineers and firemen who belong to the Brotherhood and kindred organ-Applicants by the score are being examined

at the different principal main line points, and engineers' certificates are being given out very freely to old firemen, and frequently to new ones who have been firing a few In most cases the applicants are tobi to

keep on at their present position and that in the early Spring they will be given engines. Enough then have been promised engineer-ships to man all the locomotives the Company The Brotherhood men assert that the Com-

pany is preparing to order them to leave their associations or the Company's employ, and that the battle will soon be declared on.

STATE TAXES IN ONE LEVY.

Proposal to Do Away with Special Levies in the Counties.

INV ASSOCIATED PRESS, ! ALBANY, Jan. 4 .- The Special Legislative Committee on the State Tax Laws made a report to the Legislature to-day, in which is recommends a radical innevation in the sys-tem of taxation to be followed in this state. It is proposed that there are raised a suffi-cient revenue by a specific tax for state purposes only, which will adoish the levy-ing of all taxes for State purposes by the several counties. The channels from which this revenue may be raised are various, and the naming and division or them the Commit-tee reserves until its final report. The Committee asks to be reappointed and continued for further deliberations.
